Christmas time can be hectic for anyone but especially for Santa and his elves. Imagine the consequences when the neighbouring naughty sprites kidnap old Saint Nic as he flies off to deliver the presents?!? It'll be up to Mrs Claus and her helpers to join forces and lead a rescue! Join our cast of colourful Christmas characters for a charming fairy-tale set to festive music and incorporating puppets, projection and, possibly, a little audience interaction... oh yes there is!

A new adaptation of the classic tale of fun-filled rescue **by the writer of *The Wizard of Oz***.
