NOTICE OF PERFORMANCE

Just to remind you that the plan for an evening performance is going ahead for the last day of term. On Monday 30th November the three groups will be called to the theatre for 18.00hrs with the joint performance of all three groups taking place at 19.00hrs. There will be no separate Changelings workshop at 16.15.

Although there will be no charge for you to attend **YOU WILL NEED TO BOOK TICKETS** for this event by calling the Box Office on 01892 678678 (Mon-Sat 10am-3pm). We can seat 279 people in the theatre so for the best seats... book early!

Please bring your child dressed in comfortable black clothing for the performance. I would appreciate it if you removed bangles, jewellery, accessories (such as hats), mobile phones, valuables, etc. prior to leaving them in our care at 18.00hrs as we'll have 60 children and each child will need to take responsibility for their own belongings.

If your child is not available for this performance date please let me know so we can make a note in the register. As many of you are aware, I prefer to telephone the contact numbers of children if they have – for whatever reason – failed to arrive and I don't have a note of the absence.

Any problems, let me know, my contact details can be found above

THE NEXT CHILDREN'S EVENT AT TRINITY IS...

Aladdin & His Magic Lamp

Sun 22nd November (60 mins) Age: 4+

Down in Old Peking, not much washing is being done at Widow Twankey's Chinese Laundry. Aladdin is out watching the royal procession of Princess Balroubador, but it isn't long before he meets the wicked Abanazer, who makes him an offer he can't refuse. It involves a magic lamp! Boo, hiss, laugh and sing along at this wonderfully inventive version of the traditional pantomime.

TYTC Members can come and see this production for free but you'll need to let me know as space is now limited. I've reserved 10 tickets however just for our party and more than half of these have already been allocated.
